

I require assistance with maintenance of hygiene in bedroom re bed changing , washing of bedding , drying and maintaining order of the said items including the cleaning of the floors . Organising clothing for safe access as my mobility issues limits my access to items that are too low or high to reach

In kitchen I need assistance with general hygiene , washing and putting away dishes , organising pantry for safe and easy access

Due to mobility issues I need the paths for exit and entry to be cleared , therefore a gardener is essential to keep those areas safe

Mobility aids also assist in navigating the mobility issues

I foresee the time when I will need an assistant to help shower for hygiene

I need a cleaner to maintain hygiene in the toilet and bathroom rooms

And assistance with the collection of mail from the distant letterbox

A cleaner is required to remove the council bins to the road and back when empty as once again I am unable to wheel them due to mobility issues
