Privacy Collection Notice

The Department of Health, Disability of Ageing invites you to share your views on the updated Population Based Screening Framework. Your personal information is protected by law, including the Privacy Act 1988 (Privacy Act) and the Australian Privacy Principles, and is being collected by the Department, via Citizen Space, for the purposes of conducting a consultation process in relation to the updated Population Based Screening Framework. The Department will collect your personal information at the time that you provide a submission, unless you choose to make a submission anonymously, and you are not reasonably identifiable from the information provided in your submission.

You do not have to provide your personal information and may make an anonymous submission. If you choose not to provide your personal information, this will not prevent you from participating in the consultation.

You should not include information in your submission about another individual who is identified, or reasonably identifiable. If you need to include information about another individual in your submission, you will need to inform that individual of the contents of this notice, and obtain their consent to the Department collecting their personal information.

The Department may disclose your personal information to Nous Group, which is assisting the Department to analyse consultation responses. The Department will not disclose your personal information to any overseas recipients.

You can get more information about the way in which the Department will manage your personal information, including our privacy policy, at https://www.health.gov.au/resources/publications/privacy-policy. You can obtain a copy of the Department's privacy policy by contacting the Department using the contact details set out below.

You can contact the Department by telephone on (02) 6289 1555 or freecall 1800 020 103 or by using the online enquiries form at www.health.gov.au.

By making a submission, I acknowledge that:

- I consent to the Department collecting the information requested in Citizen Space about me, including any sensitive information, for the purposes indicated above.
- I understand that the giving of my consent is entirely voluntary
- I am over the age of 18 years
- I understand the purpose of the collection, use, publication or disclosure of my submission
- I understand that copyright in the content of my submission will vest in the Commonwealth of Australia
- Where relevant, I have obtained the consent of any individuals whose personal information is included in my submission, to the Department collecting this information for the purposes outlined in this notice
- I understand that a deidentified summary of consultation feedback will be publicly shared on the Department's website.
