NDIS Provider Definition

Consultation

Part 2

Australian Government

Department of Health,
Disability and Ageing

The Australian Government Department of Health Disability and Ageing wrote this.

We say **DHDA** for short.

When you see the word **we** it means DHDA.

We wrote this in an easy to read way.

We use pictures to explain some ideas.

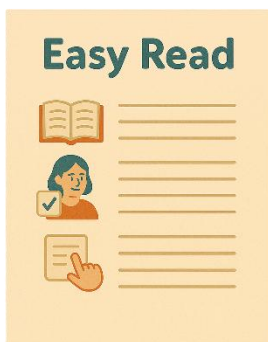

Bold

We have some words in **bold**.

Not bold

This means the letters are thicker and darker.

These are important words.

This is an Easy Read summary of another document.

This means it has the most important ideas.

We can answer any questions by email.

You can ask for help to read this document.

You can ask

- A friend
- Family members
- A support person.

We recognise Aboriginal and Torres Strait Islander people as the **Traditional Owners** of the land we live on.

They were the **first people** to live on and use the

- Land
- Waters.

About this document

This document has **2 parts**.

Part 1 talks about

- What we want to do

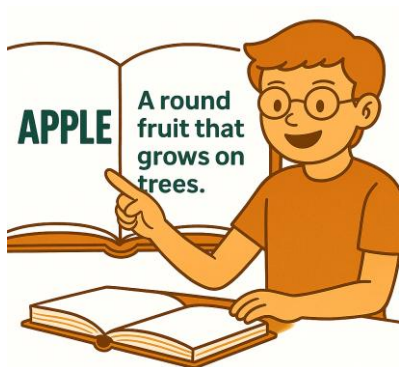

- Why we want to do it

- What the **NDIS provider definition** is now

NDIS providers get money from your NDIS plan to help support you.

Definitions explain what a word or idea means.

Part 2 has

- Questions for you to answer.

You can read the other part on our website.

What to do

You need to download the questions.

You can

- Write your answers

- Type your answers.

You need to send your answers back to us by email.

NDISRegulation@health.gov.au

There are **no** right or wrong answers.

Do your best.

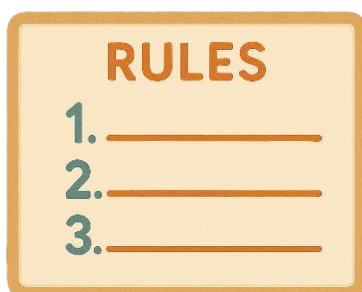

You can choose what questions to answer.

You do **not** have to answer them all.

Why it is important to share your ideas

The NDIS Taskforce said the government should change the definition for NDIS providers.

Your ideas will help make new rules.

We want to know if the new rules will change the way you use your NDIS support.

Sharing how you use supports will help us make new rules that work for everyone.

We have 6 questions.

Question 1

Who needs to show the government that they are safe for people with disability to use.

Please write your answer in the box.

Question 2

What do you think a NDIS provider is.

Please write your answer in the box.

Question 3

How can the government make sure the way you use your supports does **not** stop.

Please write your answer in the box.

Question 4

How can we make sure the definition of NDIS provider meets everyone's needs.

Please write your answer in the box.

Question 5

Is there anything else we should include in the definition other than the type of support.

Please write your answer in the box.

Question 6

How could a new definition make supports

- Work better
- Last for a long time.

Please write your answer in the box.
