NDIS Evidence Advisory Committee Consultation

People who do **not** use music therapy
anymore

Part 2

Australian Government

**Department of Health,
Disability and Ageing**

The Australian Government Department of Health Disability and Ageing wrote this.

We say **DHDA** for short.

When you see the word **we** it means DHDA.

We wrote this in an easy to read way.

We use pictures to explain some ideas.

Bold

We have some words in **bold**.

Not bold

This means the letters are thicker and darker.

These are important words.

This is an Easy Read summary of an online **survey**.

Surveys have questions about your ideas.

We can answer any questions by email.

Email us disabilityevidence@health.gov.au

You can ask for help to read this document.

You can ask

- A friend
- Family members
- A support person.

We recognise Aboriginal and Torres Strait Islander people as the **Traditional Owners** of the land we live on.

They were the **first people** to live on and use the

- Land
- Waters.

Who is this survey for

We made a **survey**.

This survey is **only** for people with disability who

- Used **music therapy** but do **not** use it any more.

Music therapy is when a trained person aims to help you with music.

Music therapy is done by a **music therapist**.

When we say **the support** we mean music therapy.

We have other surveys for people who

- Use music therapy

- Use something else.

You can look at the other surveys on our website.
