

What activities or products would support you to prepare for the new Aged Care Act 2024?

A release of IHACPA draft proposed funding to industry (Govt has this Feb 2025).

Clearer and more precise transitional information on care management, associated providers, held funds (HCP consumers), IT systems support more grants \$10k does not even open most IT doors! "

## Other

We are very well behind the information trail and support at home operational guidance as much is still unknown or at best left to those vulture capitalizing substantially through education and conferences (Invox / LPA / Others) why is the government not providing all the information, training, planning and webinars and support. These industry vultures are making extremely high profits from those who can't access the information they seem to have! Why do they thrive! They have info industry doesn't! or are guessing like Lorraine Poulos does often!
