

What activities or products would support you to prepare for the new Aged Care Act 2024?

An easy to use calculator which shows the massive increase in costs which will face the average aged care resident.

Make it clear to the public that the average person will be a person living dementia, female and mid 80s.

Make it clear to the public that the new fees are a 'Dementia Tax' in which providers and the government charge to vulnerable people and add to the stigma of the disease. People with Dementia will be treated differently to the rest of society as they will be unable to pass on an inheritance to their family
