

## **What activities or products would support you to prepare for the new Aged Care Act 2024?**

"Much more wide publicity to help Older Australians regain confidence in My Aged Care. Royal Commission into Aged Care has not in any way shortened wait times for Assessment and then the provision of In Home Services to Assist people staying safely in their own homes. So many people are dying before they get help. Please explain very clearly to Australians how this New Act is going to start helping them. Maybe there could be Local Presentations around Aust by My Aged Care to explain the changes and how they will improve the situation.
